

A woman with long dark hair, wearing a bright yellow textured sweater, is sitting at a white desk in an office. She is smiling slightly and looking towards the camera. Her hands are clasped on the desk. In front of her is a silver laptop displaying a website. To the right of the laptop, there is a white mouse and a blue pen. The background is a blurred office environment with blue lighting.

ATR International, Inc.  
**MSP Staffing Services**

# Flexible, Comprehensive, Vendor-Neutral.

## Why ATR?

- Quality-certified, staffing solutions
- 25 years of experience
- Solutions built on leading-edge technology
- Comprehensive reporting options

The ATR team has the experience and expertise to build and manage any MSP program. Our vendor-neutral managed service provider approach leverages an extensive supplier network to source the best talent at competitive bill rates while also managing compliance risks. Our programs offer a wide range of benefits.

- Employ a purely vendor-neutral approach that ensures top-quality talent at competitive market rates.
- Client collaboration to manage the lifecycle of a contingent workforce.
- Act as intermediary between suppliers and clients.
- ISO 9001:2008 certification ensures program quality.
- SOW project integration option.
- Comprehensive tracking and reporting.
- Vendor score-carding, tiering, and supply pool optimization.

*“ATR has been very supportive; you respond to our requests in a timely manner and provide us with very good service. We appreciate the customer focus and good relationships built over the years.”*
