

ATR International, Inc.
Professional Payrolling Service

Your Candidates. Our Payrolling Solution.

Why ATR?

- Quality-certified, staffing solutions.
- 25 years of experience
- Solutions built on leading-edge technology
- Comprehensive reporting options

The need for third-party payrolling services continues to grow. New laws and regulations are making employment law more challenging by the day. Our quality-certified professional payroll service, developed under the direction of our legal department, offers a wide range of benefits.

- As the employer of record, ATR International assumes the fundamental legal responsibilities for the employee.
- ATR manages and resolves most employee related issues.
- ISO 9001:2008 certification ensures process quality.
- Weekly invoicing with copies of timecards.
- ATR pays statutory costs, workers' compensation, and on-boarding fees.
- ATR's service protects your company from misclassification.

"I have to say, I have pretty much always had a high opinion of the quality of service from ATR. And my recent experience leads me to continue to have that opinion."
